

Save the date for the ESMR-ECA the first online event

July 24<sup>th</sup> at 4:30 pm ECT

## ***Muscle, Society, and a Digital Future***

### **Speakers:**

Dr. Andrea Thorn - To be announced

Dr. Stephen Chelko - Advocating for the Extraordinary

**Important notes:** The EMC early careers association is putting together a short online event (approx. 1.5 hrs) to give the early career researchers a chance to get to know each other before meeting at the EMC in Florence in September. We will have a couple of short presentations on how being part of the muscle community can go beyond strictly research. In between we will have break-out sessions for everyone to get to know each other and the committee. Look forward to seeing you there!
